

Livermore Flying Electrons

We are dedicated to the building and flying of Radio Controlled aircraft. As a AMA Gold Leader club we strive to assist the beginner radio control pilot through solo flight and for advancement into high performance R/C models. Our training program can even supply a trainer while you build your own. Located near Livermore just two miles off of Interstate 580. For more information or an application form go to <http://www.lferc.com> and click on “Join Us”

Hal Chesnutt Memorial Field is located at 4455 Raymond Rd. Our runway is 400' x 40' Asphalt surface with ample runoff at both ends. The field is in operation from 8 a.m. through sunset 365 days a year. From Interstate 580, take Vasco Rd. exit and go north to Dalton Ave. Turn left on Dalton which turns into Ames St. which shortly will become Raymond Rd.
